To Whom It May Concern:

I am writing a letter of reference for Lisa Lewis.

I have known Lisa professionally through her work with Atlantic Business Interiors since the fall of 2007. During this time I have found Lisa to be very professional, responsible, punctual and honest. Lisa was extremely helpful during Focal's building expansion and renovations in regards to office furnishings. Through her hard work she was able to help us choose high quality, yet affordable office solutions. She along with the help of her colleagues has been extremely accommodating to Focal in meeting scheduled installation dates. Lisa has always followed up with me to ensure all work was completed to satisfactory levels.

I highly recommend Lisa as an account manager. She is very knowledgeable in her profession and displays this through her continuous hard work. If you wish for further information, please contact me.

Sincerely,

A handwritten signature in cursive script that reads "Nick Boyd".
