Category 3: Metal Filing and Storage Cabinets

The office space is an assortment of collective data that requires safe and secure storage while maintaining functional and effortless access. In the evolving working dynamics and where space is at a premium, personal storage towers, lateral and vertical filing, and multi-purpose pedestal options means resources and assets are maximized to the fullest. The Global Furniture Group seamlessly integrates its metal and filing storage components to meet the demands and complete the full and comprehensive offering of the Furniture for Workspaces Supply Arrangement.
