

Lucy Hart, MSc, CCPE
Global Furniture Group

Lucy Hart is the Certified Ergonomist for the Global Furniture Group, Toronto, Ontario, Canada.

She began her career as a Defence Scientist for the Department of National Defence, researching human engineering issues. She applied this knowledge at the Ontario Workplace Safety & Insurance Board initially to industrial settings as a Worksite Analyst. She then moved on to office applications as an Ergonomics Consultant. For the majority of her career she has focused on office environments.

In her current role, she provides strategic guidance and technical leadership throughout the life cycle of office furniture. She also helps clients directly through educational activities and proactive advice on ergonomic issues in their workplaces.

Lucy obtained her undergraduate and Master of Science degrees from the University of Toronto. She is a Canadian Certified Professional Ergonomist, Member of the [Association of Canadian Ergonomists](#), [Human Factors and Ergonomics Society](#) and Past-President of the Board of the [Canadian College for the Certification of Professional Ergonomists](#). She actively participates in standards development. Lucy is the Chair of the [Canadian Standards Association](#) Z412 Office Ergonomics Technical Committee, Chair of the [Business and Institutional Furniture Manufacturer's Association](#) Ergonomics Subcommittee and a peer-elected Educationally Influential Ergonomist as recognized by the [Institute for Work and Health](#). Lucy is a member of the [United States Green Building Council](#) LEED Pilot Credit 44 Ergonomics Work Group and previously served as an Ad Hoc Member of the Occupant Experience Working Group.
